## ❖ NOTICE ❖

**TO: QANTAS MEMBERS**

**RE: A380 AGREEMENT DISPUTE –Offers for Training**

Members would be aware from our previous Notices on this issue that the ALAEA and Qantas are currently in dispute over the application of the A380 agreement. We are aware that Qantas intends to or has made offers to certain LAMEs to commence the A380 training which in our view is an attempt by Qantas to bypass the disputes resolution process.

Members are therefore directed to not accept any A380 offers or commence any A380 training until such times as the dispute can be resolved and in accordance with the EBA4 disputes procedure continue to work as normal in your current positions.
