RE: ALAEA EBA CLAIMS ON BEHALF OF MEMBERS

Arising from the ALAEA EBA Report Back Meetings held recently, this list of ALAEA Claims is provided for the information of members.

This list is based on:

- Member feedback from completed surveys,
- Member emails to the ALAEA,
- Comments to ALAEA Reps,
- ALAEA Reps experiences on site,
- The need to allow for WorkChoices (some things are now prohibited by the law and cannot be listed in a Log of Claims)
- The desire to include conditions and clauses which are currently subject to Parity with Qantas agreements, as Parity will no longer apply due to WorkChoices.

Further conditions have also been sought. For example, the ALAEA recently told Forstaff that it would be looking to include any improvements won in the new ALAEA LAME EBA at Qantas, such as an extra 1 % Superannuation, etc.

Likewise in response to the Forstaff Log of Claims the ALAEA has sought to improve various conditions with counter- claims such as for Jury Service and other matters that Forstaff have signalled their intentions to remove from the existing agreement.

Please see your Rep if you have any questions.
