RE: CASA / EASA B3 LICENCING PROPOSAL:
CORRECTION TO MEETING DATE

The ALAEA notice to members CASA / EASA B3 LICENCING PROPOSAL, 21 August 2008 noted that the date for the first planned B3 Licence meetings would be on Friday September 5 at Perth airport in the old Skywest Terminal at 1200hrs. This date is incorrect and should be disregarded.

The first planned fact finding and information workshop will be on Monday September 8 2008 at Perth airport in the old Skywest Terminal at 1200hrs.

Our local representatives will advise as to the times and venues for other planned meetings and all persons interested in the future viability of our industry are invited to attend. A notice to all ALAEA GA members in the local area will be issued to assist attendance.
