RE: ENTERPRISE AGREEMENT UPDATE 4

The ALAEA is beginning to commence a round of country wide feedback meetings to discuss the upcoming Engineers wage Agreement. With 6 crews in Melbourne alone, the logistics of one Federal Secretary attempting to meet with members in all Virgin ports will be extremely difficult. Face to face meetings will occur over the coming month in Bne, Syd and Mel and conferencing facilities opened for other ports to call in.

The Melbourne meetings will kick off later this week and all Virgin Engineers whether AME/LAME or member/non-member able to attend. Virgin has been kind enough to allow us the use of the MJB Board Room (Gate 26, South Centre Rd, Tullamarine). Unfortunately release during work hours was not approved and times will coincide with before and after shift for those wishing to attend. The meeting times are --

Mel crew 3 Thu 22nd October 1530 and 1730

Mel crew 2 Thu 22nd October 1530

Mel PNS crew A Thu 22nd October 1730

Mel crew 1 Sun 25th October 1530 and 1730

Mel crew 4 Sun 25th October 1530

Mel PNS crew B Sun 25th October 1730

MJB Boardroom Tullamarine

Engineers who are unable to make a meeting at their designated crew time are welcome to attend other meetings or arrive late due to prior commitments. It is assumed that one meeting will roll into the other with ALAEA officials able to answer questions throughout both afternoons until 1930.

STEVE PURVINAS
Federal Secretary

"To undertake supervise and certify for the safety of all who fly."
