RE: LAME PAY STRUCTURE REVIEW

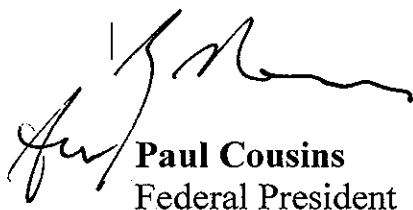

As part of the ALAEA and Qantas EBA8 negotiations the parties agreed to undertake review of the LAME pay structure. The ALAEA Pay Structure Review Committee consists of Federal President Paul Cousins, Vice President Wes Bell, Trustee Mark Gant, Qantas Executive Councillors Brett Bradbury Paul Cail, and Senior Industrial Officer Gary Norris. The first meeting with Qantas took place on the 30th October 2009 where the parties discussed meeting schedules and protocols.

The next meeting is scheduled for 25th November 2009.

We are therefore calling on members for their input and ideas as to:

- What the problems are with the current pay structure?
- What are the benefits of the current pay structure?
- What you do think a new pay structure should address?

If you have any constructive comments could you email them to alaea@alaea.asn.au and put "Pay Structure Review" in the subject box.
