**RE: MELBOURNE ACS ROSTER PROPOSAL FROM
QANTAS**

Today the ALAEA was presented a roster proposal from Qantas for Melbourne ACS which we are currently considering.

It has been requested that any employee who is interested in transferring from the current 9.5hr International roster to a 12hr roster are to fill in the expression of interest and fax the signed document to Qantas. The ALAEA would like to remind all members that the signing and faxing of this document may commit them to work a 12hr roster of an unknown pattern as no shift pattern has been supplied with the presentation.

Therefore it is recommended that anybody interested in transferring from the 9.5hr International to a 12hr roster obtain written confirmation from your manager or from the ACS People Team (x64089) on the exact roster pattern you are expressing your interest for. Also please take note of the clause ' **My Nomination is binding on me and cannot be withdrawn or revoked** '.
